

## Mobile Phones & Tablets Buyback

- Do you have retired devices in your business?
- Are you looking for cashback on phones and tablets?
- Do you need approved data erasure?
- Do you need to comply with your sustainability policy?

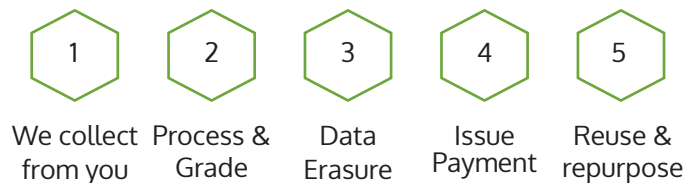

### Does any of the above relate?

If so, let us show you how we can work with organisations like yours to ensure you safely and securely recycle mobile phones and tablets in a sustainable manner.

### How we help:

We will collect, test, data wipe, refurbish and repurpose your phones and tablets seamlessly, with a fully integrated customer service guarantee.

### Our Buyback Process:

### Suitably Sustainable

By refurbishing and repurposing surplus devices it's a win for the planet. When using our recycling service, you will receive reports highlighting the Co2 saving by re-purposing devices, helping evidence sustainability objectives.

### Highly Accredited

Accredited to the ADISA ICT Asset Recovery Standard 8.0. We work with you to ascertain risk levels for IT Asset Disposal (ITAD) collection.

### We can also help with:

- Secure IT Management and Asset Disposal
- Data Erasure and Destruction
- Data Centre Decommissioning
- Surplus Asset Remarketing

### Get in touch with the team

Please get in contact with us to see how you can receive money back for your end-of-life devices.
